

# User

**NTM Workflow**

The diagram illustrates the NTM Workflow interface and its associated modal windows:

- User Status Modal:** A modal window titled "User 251 status" showing a user icon and a "Logout" button.
- Indicates Status:** A legend explaining the color coding for document status:
  - Pending (Accepted by a few): Yellow
  - Accepted (By all): Green
  - Rejected (Rejected by one): Red
- Draft Record Modal:** A modal window titled "Draft" showing a record for "#ABCDE". It includes a "Deadline" section with a calendar icon and a "Why?" section with a red dashed grid.
- Why? Dialog:** A separate dialog box titled "Why?" containing a red dashed grid with the word "time" written in red.

**NTM Workflow Interface:**

- Search Bar:** "Search" with placeholder "Sort by date / urgency".
- Notification Area:** Shows 1 notification and a "Logout" button.
- User List:** Shows three users: "User 2 ganinna" (yellow), "User 1 ganinna" (orange), and "User 2 ganinna" (purple).
- Online Status:** Shows three users: "User 2 ganinna" (yellow), "User 1 ganinna" (orange), and "User 2 ganinna" (purple).
- Record View:** Shows a record for "#ABCDE" with columns: Name, Document, Id. Data: ABC / file.pdf #ABCDEF.
- Archives/Draft:** A list of documents categorized by time:
  - today: #aaaaa (green)
  - this week: #ababa (orange), #cbaba (red)
  - last month: #ababa (blue), #cbaba (green), #ababa (yellow), #cbaba (red)
- Buttons:** "Pending", "Accepted", "Rejected", "Now", "Cancel", "Save", "Send".
